Malmgård Estate

Founded in 1606 and owned by the same family since 1614.

Located in Loviisa.

Organic farm since 1995. Specializing in ancient grains (emmer and spelt), other grains, berries, fruits and beers.

We believe that organic farming is not only better for the environment but also essential to producing high-quality products that meet the values of today's consumers.

Tourist attraction and manor shop since 2003.
Malmgård Brewery was founded in 2009.

8-14 employees (farm, shop & manor)

LUOMU

Malmgård Estate has been producing food for over 400 years, the last 30 years of which have been certified organic.

Malmgård Manor House

The English inspired gardens were partially set up in line with drawings from 1884. Several farm buildings dating back to the late 18th century.

Former main building demolished 1890

Architect F.A. Sjöström 1840-85

Builder Carl-Magnus Creutz

Private home. Current owners are brothers Fredrik and Henrik Creutz.

Malmgård Estate 2025

We host and participate in regional, national and international events that support Finnish farming, organic practices, and historic estates.

We collaborate with neighboring farms to promote their products, such as honey, juices, and breads - creating a regional network of sustainable producers.

Through guided tours and active participation in exhibitions, we share our knowledge in organic farming and Finnish heritage with both locals and visitors.
